Dear Ladies and Gentlemen:

In recent years, the *Tax Cut and Jobs Act* has made major changes to numerous tax laws and even the tax preparation process itself. Although most accountants would agree that this act has made preparing for the tax season a more challenging task, R & R Accounting Services has actively been trained to properly handle your taxes. In the interest of giving our clients a thorough tax review and accurate tax return, we ask that clients make appointments early to avoid last minute deadlines.

As always, we will have extended business hours during the tax season. Our Orange County office will be open late on weekdays and occasionally open on Saturdays. Additionally, our Beverly Hills office will be available on selected weekend, so now's the time to get your appointment on the calendar.

I would like to ask you to do me a favor:

Please pass on the enclosed gift certificates to your family and friends. If they engage us to prepare this year's tax returns, we will gladly also review their previous year's taxes for any possibility of more refunds at no extra charge! Should they take advantage of this offer, you will get a \$25.00 check from us and they'll get a \$25.00 discount – a win/win for everyone!

Again, we thank you for your continued business and are looking forward to seeing you. Please feel free to call me if you have any questions.

Sincerely,

Sohrab Rowshan M.B.A.
